BUREAU OF THE MINT,

Washington, D. C., Dec. 10, 1880.

Sir:

Referring to your letter of the 29th ultimo asking permission to sell the Goloid, Stella and Metrie pieces remaining on hand, I have to state that as these coins were struck at the request of the House of Representatives for the use of Members thereof and Senators, and as many who requested to be furnished with the same have not been supplied, I therefore do not deem it advisable to sell these coins as suggested by you.

I enclose herewith draft for \$15.00, in payment of the 150 sets heretofore forwarded and have now to request that you will forward the remaining 150 sets of these coins to this Office, as there are

numerous applications from Members some
of whom at first declined but now desire
them.

Very respectfully,
